IK-1  
BUZZ OF THE WEEK

WEEK -1

*It's the first week of June..*

*The first few weeks when a child is settling into an early years setting is a time of crucial importance to their later happiness in the setting. All children are individuals and while some children will adjust fairly easily to the new environment and new routines, others will take longer to feel comfortable and secure. We look forward to your continuous cooperation in the seamless grooming of your/our children.*
